years old, drunken people, pregnant women is prohibited; video and photography aren't prohibited

Option 4:

**«Svyatogorye – Pearl of Donbass»
with lunch**

Svyatogorye is a unique wonderful piece of nature which is situated in the North of Donetsk region. It's called Pearl of Donbass or Donetsk Switzerland. It's a city with revived spirituality, unique monuments and charming nature. An ancient monastic abode – Svyatogorskaya Svyato-Uspenskaya Lavra is situated on the picturesque bank of the Severskiy Donets River, on chalk hills, covered by the dense forest. The first notes about Svyatogorskiy Monastery appeared in chronicles in the XVIth century.

Nowadays a unique architectural reserve is created in Svyatogorsk. It includes 40 buildings and constructions, 29 of them are the monuments of history, culture and architecture. The masterpiece of Ukrainian folk architecture – Nickolaevskaya church situated on the chalk rock, nearly 1 000

metres of labyrinths – entrances inside the chalk rock which have been famous since the beginning of the XVIth century as well as Svyatogorskiy Male Monastery are preserved here.

During hundreds of years this place has been attracting people by its picturesque natural landscapes and exceptional treating-climatic conditions. Everything in this place contributes to clearness and openness, to the treatment of a body and soul.

Excursion programme:

A group gathers in the lobby, then way to the front door of Saint-Transfiguration Cathedral. The landmark is the Ukraine Hotel. Departure is from Donetsk
